LUX

Clara Grandi Fossà is a young and noble woman with a free and rebellious spirit who was separated from her twin brother and forced into an arranged marriage. Despite this, she falls in love with her husband and fights to win his love.

However Clara falls victim to her aunt's and cousin's conspiracies, as they are determined to steal her inheritance and to destroy her marriage, by instilling jealousy and suspicions of adultery.

While seeking the truth, Clara starts to suffer mysterious hallucinations and a nervous breakdown.

One day, someone tries to kill Clara, leaving her to drown in the waters of the Adige River....

Clara's body is never found. Everyone believes she committed suicide. Clara survives and, in disguise, her face hidden beneath a black veil, she returns to her family in search of the truth and to punish the guilty.

The Lady with the Black Veil is a great historical mural set in northern Italy in the late 1800s that unites melodrama and elements of a crime story.
